The St. Mary's County Fair offers commercial space in two buildings,

The spaces are approximately 8' X 10', and the cost is around \$250. You will also need to provide liability insurance coverage.

The POC for inside space is Willie Goddard. You can reach him in the evening at 301 475 5190 or email wgmillwag@aol.com. Generally he does not send out contracts until the middle of August.

Outside Commercial Space.

Outside commercial space is available at multiple spots on the Fairground. Cost varies depending on the location.

The POC for outside space is Cindy Spalding. You may contact her via email at: cindyfairstuff@gmail.com

Food Vendors

The POC for food vendors is Jackson Goddard. You may contact him via email at: pjgoddard23@yahoo.com

Please understand that the Fair is produced by 100% volunteers. We do not maintain an office, operating mostly from our homes as time permits. If you had a space last year, you will be given first consideration this year.
