

St. Mary's County Fairground Major Events 2018

	<p>The St. Mary's County Fair Association Inc. is a non-profit volunteer 501(c)3 organization that builds, maintains, and operates the Fairground and produces the County Fair. We are not part of County Government and are not funded by the County. We have no paid employees, so all money raised at the Fairground and Fair is used to maintain, enhance and develop the facility. In addition, we make the fairground available to other organizations as a service to the community. We have been in existence since 1947. Visit our website www.smcfair.somd.com and follow us on facebook, www.facebook.com/smcfair.</p>
